- Main(index.html)

The image shows a travel advertisement for the Caribbean. At the top, a dark overlay contains white text: "Take a Glimpse Into The Beautiful Country Of:" followed by a large, bold "Caribbean". Below this is a red-bordered button labeled "Go There". To the right of the button is a small ".border-button" placeholder. The main caption "main-caption" is positioned to the right of the button. The background features a scenic view of a lake and mountains. Below the main overlay, there's a white content slider with rounded corners. It contains three data points: "Population: 44.48 M" with a person icon, "Territory: 275.400 KM2" with a globe icon, and "MIN Price: \$950" with a house icon. To the right of these is a red-bordered button labeled "Explore More". The entire slider is contained within a ".container" element. At the bottom, there's a dark footer bar with four numbered labels: "1", "2", "3", and "4", each with a corresponding ".label" placeholder.

The screenshot displays a travel booking website interface. At the top, there is a dark banner with a mountain landscape background. Overlaid on this is a white rectangular area containing the text "Discover Our Offers" and "Amazing Prices & More". Below this is a button labeled "Reserve Now". A red box highlights this entire top section. Below the banner, the main content area has a teal header bar with the text "Sort Deals By:" followed by three dropdown menus: "ChooseLoc" (Destinations), "ChoosePrice" (Price Range), and a "Search Filter" button. A red box highlights this header bar. The main body of the page features a section titled "The Best Results According To Your Parameters" with a red box highlighting it. To the right of the main content, there is a sidebar with the following code:
